

De Allacito Carnavalito

"The Carnival is Coming" Argentine Folk Song

De allacito, de allacito,
Ya viene el carnavalito...

Everyone there is coming
Down to the little carnival...

*De allacito, de allacito,
Ya viene el carnavalito.*

*Everyone there is coming
Down to the little carnival*

Todos bajan en pareja,
Yo voy bajando solito...

Everyone comes down in couples
I am a lonely solo...

*Todos bajan en pareja,
Yo voy bajando solito.*

*Everyone comes down in couples
I am a lonely solo.*
