

Purple light ... in the canyon, ...

That's where I ... long to be. ...

Purple Light

"Grand Canyon" • Oil on canvass painting by Thomas Moran

With my three ... good companions; ...

My knapsack, my pony, and me.

Whip-poor-will ...

In the willer. ...

Sings a song ...

A melody ...

For my three ...

Good companions; ...

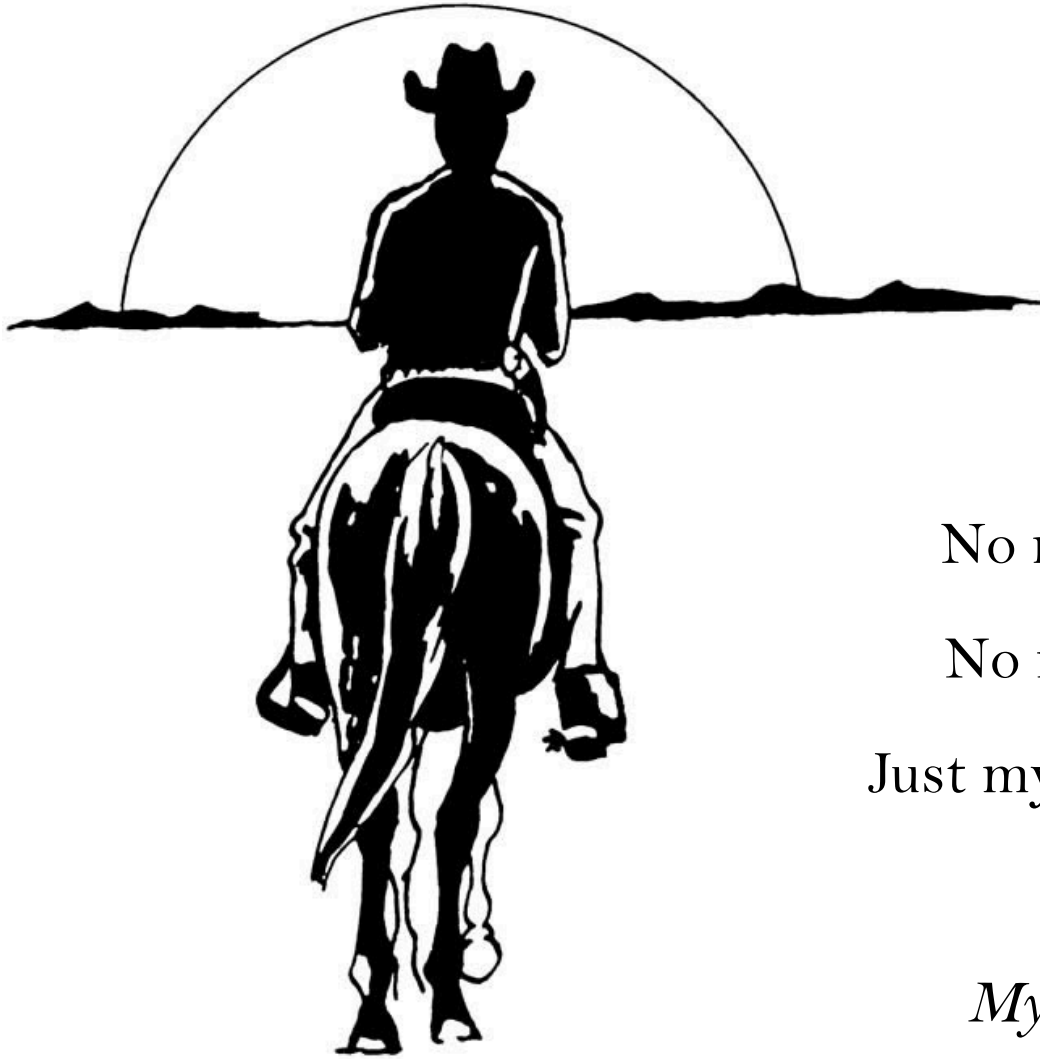

My knapsack, my pony, and me.

Gonna hang ... my sombrero ...
From the limb ... of a tree. ...
O'er my three ... good companions; ...
My knapsack, my pony, and me.

Knapsack

No more cows ... to be ropin' ...

No more strays ... shall I see ...

Just my three ... good companions; ...

My knapsack, my pony, and me.

My knapsack, my pony, and me!
